

**Community at Heart
New Deal for Communities
2000 - 2010**

COMMUNITY DEVELOPMENT

The Lighthouse (£1.5 million)

Community at Heart funded a community building at Barton Hill Settlement. The building is home to meeting rooms and a computer room.

Community development work at Barton Hill Settlement (£1.4 million)

Community at Heart funded a range of community development activities delivered through Barton Hill Settlement including:

The People's Hive

The People's Hive was a group, which supported residents with getting involved in the community.

Community Work Team

Based at Barton Hill Settlement, this team of workers organise a range of community activities including a Lunch Club, Multicultural Feasts and trips, all offered free or for a low cost to local people.

Volunteer Unit

Also based at the Settlement, this team helped arrange volunteer placements for local people to enable them to gain skills and experience to improve their confidence and job prospects.

Hannah More Community Building (£747,536)

Community at Heart funded an extension to Hannah More Primary School to provide them with a high quality community facility, which is open to local residents and is used for out-of-school activities and rented out to local groups to generate income for the school.

Community at Heart Board

Community at Heart is run by an elected resident Board; local people have been able to get involved in decision making at all levels of the organisation and were responsible for allocating funding.
