

**Community at Heart  
New Deal for Communities  
2000 - 2010**

**EDUCATION**

**Barton Hill Primary School and Children's Centre (£1,240,000)**

Community at Heart contributed to the funding required to build this high quality extended school facility in Barton Hill. It opened in November 2007 and provides education and childcare for 0 to 11 year olds as well as support to parents and the building is open for community use.

**Play area for Barton Hill Primary and Children's Centre (£67,420)**

Community at Heart provided funds to build an excellent outdoor play area for the school which is also open to local residents.

**Education support projects (£1.4 million)**

The Community at Heart education team developed and funded a number of projects to increase attainment in local schools, which included the Awards and Incentives Scheme at City Academy and the Reading Recovery Programme at Barton Hill Primary. As well as this there have been parent support projects, a Somali Attainment Strategy and many more individual schemes.

**Hannah More Primary community room (£747,536)**

Community at Heart provided funds for a new community building at Hannah More Primary School, which is used for out-of-school activities.
